Fides siue fidelitas x

Huius autem rei rationem sermone lxxvii^o Canticorum
sub compendio Bernardus assignat dicens:
“Transgreditur enim fides fines rationis humane,
rerum usum, experientie terminos.”

Lucula noctis, 38 (E. Hunt ed., p.323, ll.24-27).

Transgreditur enim fides fines racionis humane,
nature usum, experientie terminos.

Bernardus sermone LXXVII.

Manipulus florum, Fides siue fidelitas x

Fides nescia falli, fides invisibilia comprehendens,
sensus penuriam non sentit; denique
transgreditur fines etiam rationis humanae,
naturae usum, experientiae terminos.
